

Labeling Directions for Food Allergies

***Please print your child's name on a (stick-on) label to attach to snack items that are safe for your child.**

***Labels must be attached to every box/bag (if there are 5 boxes of Ritz crackers, all 5 boxes must have a label).**

***Snacks are replaced at the first of the month, so please return to school to attach labels on the new supply.**

***Please have labels already prepared when you arrive.**

***Approximately 30-60 labels are recommended per visit.**

THANK YOU FOR YOUR COOPERATION!
